

## Birthday and Work Anniversary in myFOX

You will see notification of the event right after log in to myFOX on your homepage in „Birthday/Work Anniversary“ – you can click on it.

The screenshot shows the myFOX homepage dashboard. At the top, there is a navigation bar with a 'Home' dropdown, a search bar for actions, and a user profile for 'Tomáš Marný'. Below this is a 'To-Do' section with six widgets: 'Review Performance' (3 reviews, 1 overdue), 'Conduct 1:1 Meetings' (5 people due anytime), 'Take Action' (1 alert due anytime), 'Provide Interview Feedback' (5 interviews due anytime), 'Take Courses' (22 courses, 13 overdue), and 'Learning Approvals' (1 approval). A 'News' section with 'Quick Links' is also present. The 'My Team' section contains several widgets: 'Manage My Team' (6 reports, 6 require attention), 'Team Summary' (4 metrics available), 'Org Chart' (6 direct reports), 'Birthday/Work Anniversary' (2 upcoming milestones, highlighted with a red border), 'Compensation', and 'Repi'.

Then you will see the members of your team who have a birthday or work anniversary at the same time as the deduction of the event.

The screenshot shows a notification window titled 'Birthday/Work Anniversary'. It lists two events: 'Zato Nemůžu Birthday' occurring 'in 3 days' and 'Anna jsem Fialová Birthday' occurring 'Tomorrow'. Each event is accompanied by a small cartoon character icon. At the bottom right of the window is a 'Close' button.
