

Where can I find my payslip?

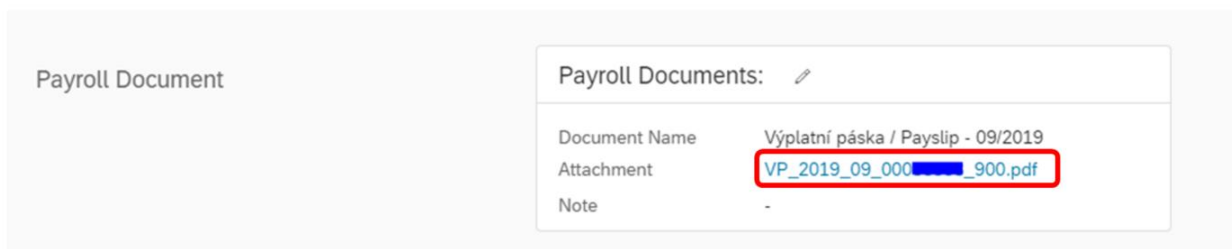

After sign in to myFOX you will move from homepage to your profile by pressing „My profile“:

On your profile you just click on „Documents“ box at the top line:

Now you are transferred straight to Payroll documents where you choose the one you want to open by only one click to the link:

Attention: all internet browsers have different settings and some may download the file first. Please do not forget that there are your sensitive data, so we do not recommend you to use public and shared computers for opening payslips.

Do not worry to use our kiosks, where is possible to print your payslip directly.
